Choose the Fabric and Color

- Select the material (e.g., cotton, polyester, wool) based on your needs.
- Choose colors that align with your brand or personal preference.

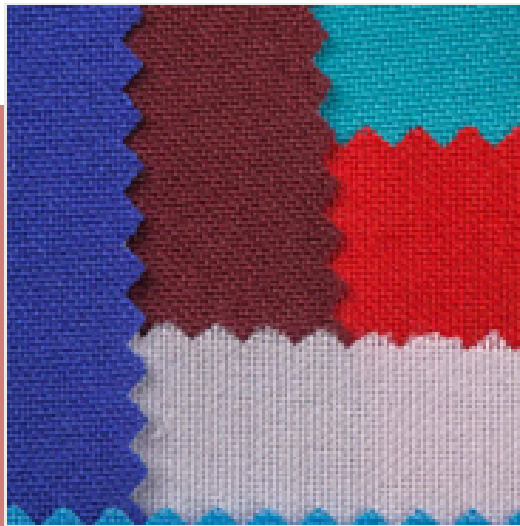

Our hats come in a variety of materials, each with its own unique features. If you have specific fabric preferences, we can offer options including suede, terry cloth, acrylic, nylon, faux fur, cashmere, velvet, satin, organic fibers, and recycled materials.

Design Your Cap

- Decide on the design elements such as logos, text, patterns, or images.
- Consider the placement of these elements on the cap (front, back, side).
- Embroidery: Suitable for detailed designs and lasts longer.
- Screen Printing: Good for large, flat areas with solid colors.
- Digital Printing: Allows for full-color designs and photos.

Style of Headwear Design

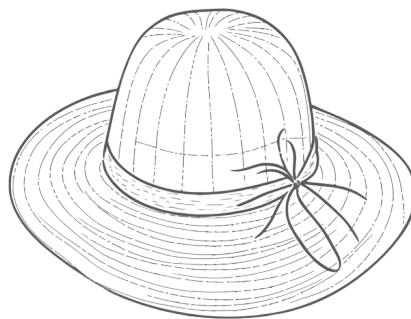

Visor cap

A headwear featuring an open-top design with a rigid, curved brim to shield the face from sunlight while keeping the head cool and allowing airflow.

Bucket hat

A soft, round-crowned hat with a wide, downward-sloping brim, offering sun protection and a casual, retro-inspired style for everyday wear.

Straw hat

A lightweight, breathable sun hat woven from plant fibers, often with a brim and decorative accents for casual wear.
